FOREWORD

To present a memorial of the beauty, strength and youthfulness of college life; to preserve a living record of those days spent at the University, so that all may remember the associations, happy hours, activities and achievements .... has been the endeavor of the 1938 Web.

DEDICATION

To Dr. Charles H. Wheeler, III

For his unswerving loyalty and the devotion of his time and energies to the furthering of publications on this campus and his vital interest in every phase of University life, we, the staff of the 1938 Web, are very proud to dedicate this volume to

CLASS OF 1938

RICHMOND COLLEGE

The Class of 1938 has been making history since its entrance into college on September 8, 1934. Approximately two hundred strong, it enjoyed from the very first day the distinction of being the largest freshman class in the history of the school. Under the leadership of Roger Page, President; Russell Walton, Vice-President; Charles Crowder, Secretary; Dick Stoneburner, Treasurer; and Paul Roberts, Senator, it passed through an eventful first year, highlights of which were an extraordinarily well-executed Rat Parade, the kidnapping of two freshmen and an upperclassman when William and Mary prematurely burned the Thanksgiving bonfire, and a socially and financially successful Frosh-Soph dance.

Throughout the sophomore year the destiny of the Class of '38 was guided by Thomas Johnson, President, Hickie Wallace, Vice-President, Larry Edberg, Secretary, J. T. Arendall, Treasurer, and Dick Stoneburner, Senator. Socially, the activities of the class were climaxed by an elaborate Freshman-Sophomore dance; financially, the year left a history-making surplus in the class coffers, a surplus attributable to the profits from the dance.

The class entered its third year with Russell Walton, President, Curtis Haug, Vice-President, J. T. Arendall, Secretary, Shanks Wilborn, Treasurer, and Ralph Moore, Senator at the helm. Its principal bid for fame was the Junior Prom, perhaps the most successful formal dance ever given on this campus.

Never a group to rest on past laurels, the class of '38 moved into its senior year and leadership in all phases of undergraduate activity. Administrative duties this year were handled by Ernie Wooten, President, Larry Edberg, Vice-President, Joe Dameron, Secretary, D. W. Thornhill, Treasurer, Dick Willis, Senator. Socially, the class went rustic in presenting the traditional "Barn Dance," which was widely acclaimed.

WESTHAMPTON COLLEGE

The Freshman Class of Westhampton College, in 1934, elected Oliver Messer, President; Margaret Carpenter, Vice-President; Martha Ellis, Secretary; and Elsie Mitchell, Treasurer. Hoping to foster a closer relationship between dormitory and town students, the dorm girls were hostesses at a wienie roast, which was followed by invitations from the town students to a theatre party. With this beginning, the class worked together in a way which soon brought them out of their freshman obscurity.

One of the early projects was the planting of seven cherry trees down by the lake. The next event was a performance given for the delectation of the remainder of the student body and generally known as "rat night." In the evening of May Day, garbed in white, carrying vari-colored lanterns, the Freshmen wound up the path from the lake to the window of the May Queen, and there sang a song of the May.

Perhaps the greatest step forward taken by the Sophomore Class was the abolishment of rat court, for it was realized that Freshmen were quite tractable without its aid! The Sophomores chose Miss Pauline Turnbull, because of her friendliness and understanding, to be their sponsor during the three remaining years. The officers included Margaret Carpenter, President; Julia McClure, Vice-President; Margaret Lockwood, Secretary; and Elizabeth Darracott, Treasurer. The achievements of the year did not go unnoticed, and the class was awarded the Mortar Board cup in recognition of its school spirit.

The thirty-eighters, now "big sisters," elected Hilda Kirby, President; Julia Gunter, Vice-President; Ernestine Akers, Secretary; and Margaret Lockwood, Treasurer. Very early in the fall they began preparing for the Junior Prom, one of the loveliest and most successful ever given at Westhampton. This year, the Juniors again won the song contest, sponsored by the Athletic Association.

The Senior Class of 1938 welcomed the Freshmen into Westhampton with an impressive proclamation ceremony. In December, they were sponsors of a new social function—a buffet supper for Seniors and their dates with a dance afterwards. Thus began a new tradition. Another project undertaken by the class was a series of eugenics lectures. The Class of '38 seems to have possessed a knack for doing original things, for in February they sponsored the first costume co-ed; following this came a ping-pong tournament in the spring. While the Seniors were hostesses to 57 high school Seniors, the atmosphere about the campus became ultra collegiate, the guests being elaborately entertained. The Class officers were Margaret Carpenter, President; Martha Ware, Vice-President; Gene Austin, Secretary; and Julia Gunter, Treasurer.

Margaret Carpenter and Hilda Kirby were the authors of an unusual May Day, the theme being one of fairyland, with the crowning of the mortal queen of May by the fairy queen as its climax.

T. C. WILLIAMS SCHOOL OF LAW

VIRGINIA:

IN THE SUPREME COURT OF THE UNIVERSITY OF RICHMOND:

Members of the Senior Class
v.
Faculty of the University of Richmond Law School

To the Honorable F. W. Boatwright, Judge of the said court:

Humbly complaining, showeth unto your honor, your orators, the Senior Class of the University of Richmond Law School, that:

(1) In the year of 1935 there were made to your complainants by the above named defendants certain promises, enticements, assurances, etc., in order to cause your complainants to enter into the study of what is known and described as the Law;

(2) That relying on the said defendants, and having been lulled into a sense of safe-keeping and security both as to our present positions and as to our potential successes, an immediate perusal of the modern off-shoots of Blackstone was begun by your complainants;

(3) That soon after, we, your complainants, discovered that though the said defendants were anxious to obtain our entrance into these studies, they were to the same degree ready, willing, and able to speed our exit, unless compliance was made with certain rules, regulations and requirements which were to say the least, onerous, irritating, and provoking;

(4) That during the preceding three years although there cannot be laid claim to a literal performance, there has been at least a substantial compliance with the above mentioned restrictions and stipulations, but only through the perseverance of your complainants, and the soon acquired ability to withstand intellectual rebuff at the hands of the defendants above mentioned;

(5) Therefore, forasmuch as your orators, the surviving members of the Freshman Class of 1935, are remediless in the premises, save in this court of final resort, we pray that the Faculty of the Law School be made parties defendant to this bill and be required to be present at a certain ceremony on June 7, 1938, in order to justify the aforesaid mentioned conduct they have exhibited during the time previously mentioned; that an injunction may issue permanently restraining these defendants from withholding any longer the degree of LL.B., promised, worked for, and to which each member of this class is justly entitled, the withholding of which would cause irreparable injury to your complainants; and that all such other further and general relief as in the premises may be just, be granted; and your complainants will ever pray, etc.

THE SENIOR CLASS.

CLASS HISTORY

NUMBERING 34 strong and representing 16 different colleges, the Class of 1939 began its first year "as a strong man to run a race." Ours has been a steeplechase, and as we near the end of our second year we find only 14 of the 34 starters remaining with us. Mr. Muse was certainly correct when he told us that law was a jealous mistress and warned us of the snares and pitfalls of the way.

Legal fraternities and school politics soon took their place along with briefs and case books. We played our politics with heat and ardor. As freshmen we were led by "Judge" Williams whose "organization" lived a meteoric career. The turning of the wheel brought us Sam Allen to be our President as Intermediates. In the spring of 1937 we organized a softball team and played in the Richmond College Inter-Mural League. Long will be remembered our able and argumentative pitcher White and our slugger Salvatti.

Our second year has served to show us that we were not so far advanced as we thought and that there was still a little law to be learned. Coming into contact with Practice, Evidence, Criminal Procedure and Wills* (but no Administrations) we have lost some of our first-year confidence.

Looking ahead, we have the State Bar to hurdle and our Senior year to run. Don't bet on us for we are as temperamental as a two-year-old.

CLASS HISTORY

ON SEPTEMBER 13, 1937, we enrolled, 21 in number, just another freshman class with the idea that if we studied industriously we might master the law. However, we very quickly learned from the upperclassmen that industriously was putting it mildly. First there was the heretofore overlooked item of an analytical mind, without which one was hopeless *ab initio,* regardless of assiduous application to studies.

An analytical mind was only one of the many prerequisites of a legal education. As was explained, if one studied all of the time, one stood a remote chance of passing some of his classes. To accomplish the near impossible of passing them all, one must put aside all thoughts of the outer world although it was admitted that there might be time for three squares and a short nap every twenty-four hours. As for dates, it was contempt of court to even think of a woman. Nothing short of a *habeas corpus* should be allowed to take us away from our books.

By examination time we were convinced that the upperclassmen were right. Not one of us thought that we would pass and we began exchanging ideas about likely far places to head for after the last exam—the South Sea Islands, the African jungles, or back to work in father's store.

Exams came and were sweated through, and then the long wait for reports. With fear and trembling we opened THE LETTERS which contained the verdict of the jury. Imagine our joy when we learned that the verdict had been found in favor of the defendants!

So now we occasionally find time to commit a trespass q.c.f. *(vi et armis)* by breaking the close of the outer world and entering thereinto. However, in the words of Kipling "Lest WE Forget, Lest WE Forget."

VARSITY CLUB

HEADED in 1937 by Leonard Kielpinski, star fullback and quarterback, the Varsity Club has had a successful season. The club was formed to include in one organization all the men on the campus who had won a letter in a major sport or three in some minor sport.

Campus dances have been the chief outlet for the energies of this organization. During the winter months the group held a dance and duplicated this again in the Spring. Both dances were hailed as great successes by the Richmond College campus.

Composed of some 45 men, this organization furnishes a medium by which all the athletes can find common interests and associations among members of their teams in many branches of athletic activity. One may enter the group by winning a letter in Football, Basketball, Track, or Baseball.

Glenn F. Thistlethwaite
Director

March 17, 1938.

My dear "Spiders":

The present college year, the second in Southern Conference competition for the University of Richmond, has netted us an athletic record for which we have no cause to be ashamed.

After finishing the year of 1936-1937 with the state championship in baseball and a good year in track, we entered the present year facing very difficult schedules. Since we rank among the lowest three of the fifteen Southern Conference schools in the matter of under-graduate male enrollment, our schedules must necessarily be quite difficult.

Our football team won five and lost four games with two victories and three defeats in Southern Conference competition. The defeat over V. P. I. was the first in the history of our University.

The basketball squad faced its schedule of nineteen difficult games with a senior captain, one junior and the remaining players sophomores. The climax of the season came with the 34 to 25 victory over New York University. After the loss of Captain Jacobs in the first game against Washington and Lee the sophomore squad pulled together and won seven straight games, finishing in fifth position in the Southern Conference. To be one of the eight teams out of fifteen, to be chosen for this tournament was a worth while honor.

We have the smallest coaching staff, and it is often said that we have the poorest facilities, for a full athletic program, in the Conference. Consequently our place near the top in two sports and well up in the second division in all other sports, gives us a record of which we have every right to be proud.

Very truly yours,

Glenn F. Thistlethwaite,
Director of Athletics.

Apprentice School, 6–6

Richmond's Spiders opened the 1937 grid season against a well-balanced and strong Apprentice eleven at Newport News in a night game. The hard-fought tie proved that the Sophomore mettle of last season had greatly improved. Merrick and Burge were the sophomore standouts under fire for the first time. "Heebie" Spears hit right tackle for a five-yard push. Two plays netted the Red and Blue squad no gain, but "Bullet" Pendleton rammed through the line on the final play for a marker. "Chuck" Siddall's attempt for the point was blocked by a hard-charging, shipbuilder forewall. Late in the fourth quarter, Wilson and Compton

gained first downs for Apprentice with wide end sweeps, carrying the sphere down deep in Spider territory. Compton, on the next play, swept end for twelve yards, finally being knocked out of bounds on the Spider thirteen-yard line by chunky Bill Via. Compton then plunged right tackle for the score. Try for the extra point was blocked by Bill Burge.

Featuring the game was Pendleton's brilliant punting duel with Madsen. Both got off long booming kicks deep into the opponents' territory. Powers, Burge and Merrick stood out among the new men that played.

Randolph-Macon, 6–0

At Mayo Island on a hot, sultry afternoon, the Spiders tamed a veteran jacket eleven with a lone touchdown that came late in the fray. "Hoot" Pendleton proved the star of the day, for the Ashlanders never seemed to be able to stop his powerful line plunges as he lowered his head and rammed through.

In the opening moments of the game, Pendleton and Welch had a kicking duel, with Lawless making swift returns for the University of Richmond. In the initial quarter there were no goal line threats, and the longest Spider punt traveled down to the Jacket 25.

In the last quarter, Spears flipped a pass

A. B. Marchant, All-State

Left to right: Haw (Manager), Siddall (Captain), Thistlethwaite (Coach)

to Burge, who lateraled to Kielpinski for a first down on the Jacket 31-yard line. The ball was again placed in play on the Randolph-Macon nine-yard line, first and goal to go. Spears made three yards through right guard. Pendleton drove over left for one more, and on the next down was not to be denied. Siddall's try for the extra point was low.

Washington and Lee, 0–6

With the Spider invasion of the Generals' stronghold, hopes for a State Championship team were dimmed for Richmond. Playing poor football the Spiders fumbled frequently, losing the ball whenever a chance to score presented itself.

Washington and Lee scored in the first quarter, after getting possession of the ball on the Spider 45, after a short kick by Pendleton. Craft passed for twenty-five yards to Borries, who caught the ball on Richmond's twenty. Howard spun through for 13 yards, took the ball again through the line for a first down on the eight-yard line. Dunlap threw a long to Spessard. Interference was called on the play, and the Generals were given the ball on Richmond's

eight, first and four to go. Howard rammed over on his second try at the line.

In the second half, the Spiders made several drives deep into the Generals' territory, but the attack bogged down as the ball neared the goal.

Hoskins, on a long pass to Marchant, began a belated rally that ended when a Spears pass was intercepted by Dunlap. The game ended as Richmond was again put on defense.

The U. of R. line played stellar ball all evening, but pass interception and fumbles broke the spirit of a hard-fighting ball club. Hoskins and Marchant were Spider standouts.

Roanoke, 21–12

On a damp field at Roanoke, a superior Spider eleven downed a fighting Maroon team. Scoring in every period, Richmond's line held beautifully, while the backs drove through the hard-charging Roanoke forewall.

Stuart Hoskins began the fireworks, cutting off left tackle in the first period behind perfect interference, slipped past the halves, and outran the safety man to score. "Hoot" Pendleton, just before the end of the half, climaxed a forty-yard drive by plunging over the Maroon line for another touchdown.

In the third period Roanoke began a scoring thrust that was not to be denied, after Crumley repeatedly went through the Spider line for gains. Red and Blue retaliated with a swift touchdown, climaxed by a forward lateral from Spears to Burge to Kielpinski. Ken Moore, of the Roanoke eleven, made a difficult catch of Pednau's pass over the goal to score the host's final touchdown in the closing moments of the game. A gallant bid by the crimson men was stemmed by the fighting Spiders.

Virginia Military Institute, 7–21

In a game much closer than the score indicated, the Flying Squadron and the Spiders played a cautious game. In the initial quarter, Trezciak's eighty-yard kick ended a brief Spider threat as the two elevens fought on even terms.

Capitalizing on Pendleton's short kicks, V.M.I. drove down to the Richmond 19 on straight football with Shu carrying the sphere. Again Red and Blue suffered

a break when interference was ruled, giving the Cadets possession of the ball on Richmond's four-yard line. Holding magnificently for three downs, the line gave in on the last to hard plunging Paul Shu. Soon after, Coleman, Cadet tackle, blocked a Spider kick on the thirty, which rolled to the twenty. Coleman picked it up and ran down to Richmond's three before he was finally stopped. Trezciak crashed over for the tally.

Again Trezciak's educated toe put the Spiders on their own one-foot line, and a poor punt gave the Cadets

TACKLE . . . . .

their last opportunity to score. From the forty-yard line, Trezciak carried the ball over on three plays. Richmond began to click late in the game, when Hoskins intercepted a pass; he and Lawless carried the ball over for the U. of R. tally. A last-minute drive bogged down when the whistle ended the rooters' clamor for another touchdown.

Citadel, 0–26

Under the lights at Charleston, the University of Richmond made its poorest showing against a classy Southern eleven. In the first quarter, under the impetus of Robinson, the military men pushed over two scores.

Almost a repetition of the first half was the last half of the contest. Robinson and Smith, on long end sweeps, pushed over another score before the third quarter was many minutes old. As the game was drawing to a close Robinson ran sixty yards through the entire Richmond team for six points.

Duquesne, 0–24

Strictly on the defensive, the University of Richmond encountered a highly touted Duquesne at Pittsburgh under the arcs. Boyd Brumbaugh and Clipper Smith accounted for the two first-half tallies after runs of 75 and 65 yards, respectively. On a deceptive play, the Dukes gained a score on a pass from Onder to Mangore, who lateraled to McKeeta. This play was good for 49 yards. Duquesne's final score came after a 74-yard march down the field. Onder, hard-driving fullback, plunged over for the touchdown.

Late in the game, the Spider offense began to click against a decidedly superior eleven. On two drives the University of Richmond carried the ball down to the Dukes' four-yard

line, but then the line became a stone wall which the Spiders could not penetrate.

Offensively and defensively the Red and Blue team played a good game, in spite of a four-touchdown trouncing. The Dukes gained 504 yards to Richmond's 264 total.

Virginia Polytechnic Institute, 12–7

In its first home game in many weeks, Richmond capitalized on its scoring opportunities early in the game to defeat the Tech men. Striking swiftly, after Lawless returned DeMuro's kick to V.P.I. 6, Hoskins tossed a short pass to Straughan who lateraled the ball to Bill Morrison. He carried the ball over to score.

Richmond's second score came when Lawless and Hoskins had placed the ball in scoring position on off tackle sweeps. Lawless went through the line for eight yards. Pendleton then lowered his head and charged into the V.P.I. line for the touchdown.

In the second half, after the Tech men had been stopped on the U. of R. one-foot line at the end of the first half, Henry and DeMuro, Tech's great backs, put the Spiders on the defense. DeMuro returned a Spider punt from his own 8 to his 34. Henry plunged through the line, broke away, and was finally hauled down on the Red and Blue 46. Doxey then caught a 16-yard toss from Henry to place the ball deep in U. of R. territory. Darnell and Henry then drove the ball over.

At this point lanky Ed. Sinar entered the game, and, with his long kicks, more than made up for Tech gains. His toe kept Richmond out of danger as V.P.I. repeatedly sought to score. This was Richmond's closest game and best one of the season.

Hampden-Sydney, 19–0

Taking advantage of a Tiger fumble on the U. of R. 35, which Bill Via recovered, the Spiders pushed down into striking distance of the goal. Spears then passed twenty yards to Marchant who tossed a lateral to Dickinson. Dickinson carried the ball across for the tally.

On a long punt return by Lawless to the Richmond 42, Red and Blue again drove over the goal with runs by Lawless, Hoskins and Pendleton.

In the final quarter, Coach Glenn decided to use some Sophomore talent, and in went Bill Robinson. On his first play, he cut off left end, faked past the halves and was finally brought down on the two-yard line after an eighty-yard jaunt. On the next play he went over. The final minutes were featured by another drive by Richmond which ended as the whistle blew.

William and Mary, 6–0

The Indians' famed "Pete" Bunch was held in check as the Spiders outplayed their traditional rivals on Turkey day to win by a single tally made by Richmond's all stater, A. B. Marchant.

Striking swiftly in the first quarter, the Red and Blue team scored, then hung to its slim lead for three more periods of the game. When Ed. Sinar's long arms batted down Bunch's punt, Morrison recovered for the Spiders on the William and Mary 25, to pave the way for the tally. On three plays the team gained 6 yards, then on the fourth down, Hoskins faded back, rifled a low pass to Marchant, who ran six yards to score. After this it was all Richmond, with Bunch completing only one pass and making one 20-yard run in the entire first half.

In the line, stars of the game were Marchant, Norvell, and Merrick. Marchant was invincible on his flank until a back injury forced him from the game. Norvell, at guard, stopped many plays before they could reach the line of scrimmage. Merrick, through his keen play diagnosis was able to cut down long gains on the part of Bunch, Indian ace.

Playing their last game were Captain Siddall, Kielpinski, and Montgomery. These men were the bulwarks of the stone wall that the U. of R. line presented to Indian backs.

ALBERT (PETEY) JACOBS *(Captain)*

Petey played a brilliant series of games in this, his last year of intercollegiate basketball. Although injured in a game with Washington and Lee and put out for the rest of the season, he was named on the all Southern conference team.

BASKETBALL

WITH four of his five court veterans of the past year gone with graduation and only one tow-headed performer, namely Captain Petey Jacobs, left, Coach Pitt faced prospects for the 1937-'38 basketball season squarely. They were poor, to say the least.

A host of hard working sophomores, whose only experience was a year of freshman basketball, turned out to be the salvation of a quint led by the unquenchable spirit of Petey Jacobs. Out of the nineteen games played during the regular season, the University of Richmond team won fifteen. When seven games were still left to be played on the schedule, Captain Jacobs was injured at Lexington playing against the Generals. Determined to lead the team to victory, Jacobs was trying hard. He took a bad spill, and thus ended his career in Basketball forever at the University. Yet, in the games that he had played, he was hailed by all coaches and referees in the conference as its "greatest guard."

After a comparatively easy victory over the Ashland Jackets, the Spiders pulled a distinct upset by downing the favored Terrapins of College Park by a 31-26 count. Then, on their initial tour, to the Carolinas, the Spiders took lickings from both Duke and Wake Forest by close scores. The Techmen from V.P.I., in the same week, again took the Spiders' measure. Later in the season, Richmond's more experienced quint downed Tech and the Deacons to even the count with these schools. Against Washington and Lee the Spiders broke even, winning at home and losing at the camp of the Generals. Coach Tilson had an experienced and well balanced squad which gave the Spiders their greatest trouble inside the state.

VARSITY BASKETBALL

First row, left to right: Spears, Hoskins, Jacobs (Captain), Ely, Burge. *Second row:* Dodd, Bragg, Stoneburner, Hobgood, Wright (Not in picture). *Inserts:* Pitt (Coach), Arendall (Manager)

The highlight of the season came against the Violets of New York University who were touring the South on a warm-up campaign. In a hard, brilliant fight the Spiders outbattled the New Yorkers by a 34-25 count. Captain Jacobs played his best that evening, guarding like a multi-armed octopus, and scoring frequently. This was the first time that the University was able to take over a strong Northern team in Basketball.

At the end of the season, the University of Richmond was well up in the state standings, boasting of thirteen wins against two defeats, both by teams that the Spiders later defeated. Also, in the Southern Conference, Richmond stood well among the first eight teams. In the Conference playoffs, the Spiders met their nemesis in the form of a brilliant Clemson team, and were defeated in the first round by a 35-32 count.

Sophomore sensations were Stuart Hoskins, famous for his long set shots and his fighting ability, James Ely, outstanding for his smooth floor play, Bill Burge, known to all for his guarding against N. Y. U., and John Wright, who could toss the ball from any angle toward the hoops. All of these men tallied over a hundred points before the season had ended. Seabury Stoneburner, bothered by a bad ankle, nevertheless, saw lots of action, and was a steady player. Ed Bragg, 165 pounds of real fight, also played fine ball for the Spiders.

Top row, left to right: Spears, Stoneburner, Bragg. *Middle row:* Ely, Hoskins, Dodd. *Bottom row:* Wright, Hobgood, Burge

"Heebie" Spears, junior, and member of last season's squad, after the absence of Captain Jacobs, was named by his mates to fill his shoes. It was he, who with dogged determination fought to win against great odds. His floor work was of the best and his ability to handle the ball won him an important berth. He will again lead the team next year.

Duke, Wake Forest, Washington and Lee, and Virginia Polytechnic Institute, were the only teams that beat the Spiders during the regular season.

Coach Pitt, as always, the likeable and unselfish tutor, had occasion to be proud of the machine that he turned out. He produced a winning team, composed of four-fifths sophomores, under fire for the first time. Yet, in his characteristic way, Coach was unwilling to claim any of the team's glory for himself, so he declared, "I'm

mighty proud of the boys." The boys say, "We're mighty proud of him."

FRESHMAN BASKETBALL

Coached for the first time by Ex-Captain Bucky Jacobs, all-state forward for two years, the University of Richmond freshmen had quite an impressive record for the year, downing four opponents and losing to four teams.

Outstanding men who played well for the freshmen were Dick Humbert, versatile six-footer, who played guard in a way that reminded fans strangely of Petey Jacobs, Richard Cash, towering center, who played fine ball all year until he was injured. Hugh Crisman, brainy forward, George Shackleford, hard-fighting and hard-working guard, and Ed Garber, who never gave up until the final whistle had blown.

Playing against one of the state's best teams in the little Tigers from Hampden-Sydney, the frosh evened the count in two hard battles, winning the first time 32-28, and on the home floor losing by a 17-20 score. By virtue of his hard playing in these games, Dick Humbert made the all-state frosh quint.

Massanutten and Fork Union Military Academy both took the measure of the little Spiders in hard fought contests, after two spider aces had been eliminated, one for scholastic trouble and the other with an injury.

In the season's finale, the little Indians scalped the frosh 53-26 to gain sweet revenge for an earlier 23-21 win by the Richmond five.

BASEBALL

The 1937 baseball season was a highly successful one for the Spiders in two respects. From the standpoint of teamplay the Red and Blue baseballers brought home to Richmond the state championship, after sharing it with William and Mary's Indians in 1936. From the standpoint of individual achievement, this '37 season produced one of the most famous athletes ever to wear the Red and Blue. He is Newton "Bucky" Jacobs, the Spider captain, who left the U. of R. a record that has rarely, if ever before, been achieved in college baseball in any section of the country, that of pitching three no-hit, no-run games. Somewhat lacking in physique but with a competitive heart, "Bucky" won seventeen games against one loss in three years of college playing.

Spring hadn't quite arrived, but baseball was certainly in the air when Coach Malcolm U. Pitt called the first practice on Milhiser field for his diamond candidates. It was not without some misgivings that Coach Pitt viewed his prospects for the forthcoming season, for he had the task of filling four important positions made vacant by graduation the previous year. After two weeks of training, however, Coach Malcolm U. Pitt put together a strong combination which later rolled over all state opposition.

Upon the shoulders of Captain "Bucky" Jacobs and James "Slick" Trevvett, rested the major portion of the hurling chores. George George, a sophomore, took care of the catching vacancy in fine style, while Jimmy Mundy looked like a veteran at first base, a position which he had never played before. Hard-hitting Gus Lynch at second, the sensational "Toots" Garber at shortstop, and red-headed Petey Jacobs at the hot corner rounded out an

By pitching three no-hit, no-run games in a single season, Bucky left with us a record that future collegians will find hard to break. He won seventeen games against one loss in three years of college playing.

imposing infield. Neely Godsey, "clean-up man," Avalon Marchant, and "Hoss" Walton formed the Spider outfield.

The Spiders got off to a good start in their quest for the state championship by defeating the Buckeyes of Ohio State, 6 to 1, in the first game. Jacobs and Trevvett divided the pitching assignment and were equally effective. A few days later Richmond beat Washington and Lee for their second victory. On a trip down into North Carolina, the U. of R. was defeated by Wake Forest College, but amid a barrage of base-hits including Neely Godsey's home run triumphed over North Carolina's Tarheels by the score of 9 to 8.

After defeating Hampden-Sydney, 4 to 3, the Spiders scored a 1 to 0 victory over Virginia Tech, one of the closest games ever played at the Richmond City Stadium. Captain "Bucky" Jacobs came out of the contest in possession of a brilliant no-hit, no-run game, the first of three for the season. Ruffner Murray, pitching for the Gobblers, allowed only one hit, a single by third baseman Petey Jacobs. Coach Pitt's protégés then went on a six-game winning streak, smashing William and Mary, Randolph-Macon, V.M.I., and scoring second victories over Hampden-Sydney, V.P.I., and Washington and Lee. Captain Jacobs chalked up his second no-hit, no-run contest against Hampden-Sydney during the victory streak, while the game with William and Mary at Williamsburg was won by Gus Lynch's homer in the tenth inning.

Wake Forest's strong aggregation next invaded the Spider's domain and again defeated the Red and Blue team, 8 to 5. Although Richmond overwhelmed the University of Virginia by the score of 12 to 1 in the next contest, these same Cavaliers were responsible a week later for Captain "Bucky" Jacobs' only loss in his

three years of varsity competition. The Spiders could collect only two hits from Virginia's Bud Abbit, and Jacobs' great three-year victory streak was brought to a close.

After losing to the Spiders for four consecutive years, the Navy crushed the U. of R. at Annapolis with the Spiders playing their worst game of the year. Richmond ended the season by duplicating previous victories over V.M.I. and William and Mary. The 2 to 0 triumph over the Keydets marked a marvelous feat, Jacobs' third no-hit game of the year. When the Spiders downed William and Mary in the last game, they walked off the field in possession of the state championship title.

Due to masterful hurling by Captain Jacobs and James "Slick" Trevvett and the ability to come through with base hits in the pinches, the Spiders of 1937 turned in a highly successful season, winning fourteen and losing four games. Coach Malcolm Pitt can rightfully swell his chest with pride when the name of his star pupil, Newton "Bucky" Jacobs, is mentioned, for Jacobs' feat of pitching three no-hit, no-run games in one season is an unheard of one and will probably never be duplicated. "Bucky" later signed a contract with the Washington Senators of the American League and went directly into the majors, after receiving offers from several major league teams.

Albert "Petey" Jacobs, hard-hitting third baseman, succeeded his brother "Bucky" as captain of the Spider nine and with only two regulars graduating from this year's squad, the U. of R. bids fair to come up with another strong team of championship calibre next year.

WILLIAM LUMPKIN (*Captain*)

Although injured in a meet with William and Mary, Captain Lumpkin made a new name for himself when he broke the existing Southern Conference record for the two-mile in the indoor tourney at Chapel Hill.

TRACK

ALTHOUGH the Spiders broke even in six dual meets, the U. of R's 1937 track team was considered by some Spider followers to be the best in twelve years. The first reason for this assertion was the fact that Richmond defeated William and Mary's Indians for the first time in twelve years. The Spiders were "laying for" the Indians all season and went to Williamsburg determined to scalp the red men, and this they did for the first time since 1926.

In addition to this, the '37 season brought to the fore one of the greatest track men ever to wear the Red and Blue, in the person of William Latane Lumpkin, crack distance runner and captain of the team. Popular "Lump," as he is familiarly known, whose running career in college closed with graduation in June, leaves behind him an outstanding record. During his college career he broke twelve collegiate records on the cinder paths, including every Richmond distance record except one. He missed Thorpe's record for the mile by nine-tenths of a second. Lumpkin holds the school record for the freshman mile, freshman and varsity cross country, varsity two-mile, and the Southern Conference two-mile indoor record.

An indoor dual meet with the University of Virginia opened the 1937 track activities for the Spiders. Although not considered a threat to Virginia's strong squad, Richmond garnered enough first and second places to gain a tie, 45 to 45. Jack Sanford, in the shotput, Ed Field, in the 50-yard dash, Howard Denton, pole vault, and captain Lumpkin, won first places for Richmond.

Captain Lumpkin brought Richmond's first Southern Conference record home with him when he broke the existing mark for the two-mile in the conference indoor tourney at Chapel Hill, North Carolina. Richmond entered eight men and placed fourth in the scoring. The first outdoor meet of the year was held at Charlottesville with the Spiders going down before the Cavaliers by the close score of 59 to 67. Going into the last event, the javelin throw, there was only a one-point difference in the score, but the U. of R. was able to get only third place, thereby losing the meet. Lumpkin and Frank Alvis, star hurdler, with two first places, paced the Spiders' scoring.

The second dual meet, with Randolph-Macon, on Milhiser field, was a romp for the Spiders. Richmond took every first place and the majority of the second places, posting the overwhelming score of 112 to 14 over the weak Yellow Jacket squad. The Spiders' next victory, the long-awaited one over William and Mary, brought more joy than any other to Spider backers. Held at Williamsburg before a large crowd of spectators, the contest was extremely close throughout, with the lead changing several times. In the final event, the low hurdles, Richmond's Frank Alvis went up against Walter Zable, who had defeated him pre-

viously in the Southern Conference tournament. With a final spurt, Alvis barely nosed out Zable to give the Spiders their margin of victory. Although they left Williamsburg victors over their traditional rivals, the Spiders were dealt a great stroke of ill-luck that day, for it was discovered that Captain Lumpkin had broken a small bone in his foot. This injury served to keep him off the cinder paths for the remainder of the season.

Even without the services of their captain, the Red and Blue harriers brought home the bacon from Lexington a few days later when they crushed Washington and Lee, 75 to 51. In topping the Generals by 24 points, the U. of R. showed outstanding strength. Frank Alvis stood out by his defeat of the much-publicized Rogers in the low hurdles. The Spiders did not fare as well with V.M.I's Keydets a week later on their second trip to Lexington. Richmond lost to V.M.I. by the same score by which they had defeated W. & L., 75 to 51. Bill O'Flaherty's leap of 5 feet 6 inches took first place in the high jump, while Jack Sanford recorded such a good toss in the discus event, 136 feet 8½ inches, that V.M.I's Jim Farley had to set a new V.M.I. record in order to place a close second to Sanford's throw.

In the last dual meet of the year, Maryland invaded Milhiser field, and led by Bill Guckeyson, triumphed over the Richmond tracksters, 72 to 54. Guckeyson, husky football star, garnered fifteen points, with first places in the shot, discus, and javelin events. Jack Bristow came through with flying colors for the Spiders, breaking the school record for the 100-yard dash with the time of 9.9 seconds. Bristow accomplished the feat in spite of a bad knee which gave way just after he broke the tape. Howard Denton vaulted twelve feet to win his event easily.

The Southern Conference outdoor tourney in the middle of May brought the season to a close. The Spiders placed seventh to a strong Duke University team which set a new record in scoring 78 points. The season was considered a distinct success by the Spiders in spite of having lost three meets. Frank Alvis, plucky junior who was outstanding in every meet, was honored for his stellar performance by being chosen captain of next year's squad. With a good freshman squad coming up to lend a hand and with many holdovers from this year's team, prospects are bright for a good season next year.

TENNIS

TEAM BALANCE rather than individual brilliance carried the University of Richmond tennis team to unprecedented heights in the 1937 season. Dropping only one match, the Spiders won 17 of their 18 engagements and were runners-up to the mighty North Carolina for the Southern Conference championship.

Al Dickinson, captain and number one player, was succeeded by Bobby Leitch, Richmond public courts champion and runner-up for the Richmond City Championship.

Leitch played number two on the 1937 team with Jerry Epstein at number three; George Chalmers, four; and Carroll Williams and Bob White at fifth and sixth positions. Other members of the squad were Jimmy Chapin and Jack Brooks.

Richmond won two victories each over Wake Forest, N. C. State, Maryland, Hampden-Sydney, William and Mary, Washington and Lee, and V. M. I., and won single matches from Lehigh, American University, and Georgetown. Virginia was the only team to defeat the Spiders in dual meet competition.

The University was host to the Southern Conference tennis tournament which was played on the Country Club of Virginia courts. North Carolina won in a romp but second honors went to the Red and Blue representatives.

With forty candidates out for the hockey team in the fall, Westhampton's chances for a very successful season seemed promising. The Freshman class, contrary to custom, had the largest number of representatives on the squad. Plentiful reserves made keen competition for each position on the first team. The squad soon developed into a working unit with teamwork as its best feature. Although the team did not live up to its expectations, it won over half of the games played.

Westhampton 5; John Marshall 0

In the opening game of the season the Westhamptonites won a decisive victory over John Marshall. The smooth team work of the players was excellent for the opening game. Although during the latter part of the game most of the reserves were representing the Red and Blue, the Westhampton goal was only endangered once.

Westhampton 0; Saint Catherine's 4

Getting off to a good start the Saint Catherine's team kept the lead away from the overconfident Blue and Red team. Poor passing and fielding were the Westhampton girls' most outstanding faults, causing them to bow before the smooth working opposition.

State Tournament at Harrisonburg

On Friday, November 5th, hockey teams from all over the state gathered at Harrisonburg to compete in the tournament given by the Virginia Field Hockey Association. Those taking part were: Sweetbriar, Westhampton, William and Mary, Fredericksburg, Harrisonburg, Farmville, Richmond Division of William and Mary, Hollins, Randolph-Macon, Mary Baldwin, and Norfolk Division of William and Mary.

A combined team made up of the representatives from the last four teams mentioned played a hard-fought game to tie the Westhampton team, 2-2. In the last game Fredericksburg was defeated by Westhampton by a score of 2-0.

Westhampton 2; Farmville 0

The beginning of the game was marked by the fast playing of the Farmville team, but soon the Spiderettes were able to find better co-operation, and with this outstanding team work they were able to keep the Farmville girls on the defense.

The Red and Blue team proved too much for the visitors as they were able to find the goal twice during the game.

Southeastern Tournament

The week-end of November 19th and 20th found all hockey lovers, who could possibly make it, in Williamsburg, where the annual Southeastern Tournament was held. This was the first time in its history that the tournament was played south of Washington. Virginia witnessed the best playing of hockey that it has even seen, with the exception of that by the English team.

Westhampton was represented by Fleet, Kindell, Moffett, Philpott, Moline, and Scherer, which was an unusually large number of players from one school.

Westhampton 3; Alumnae 0

The annual Thanksgiving game, which attracts so much attention each year ended with the Co-ords victorious. The alumnae played a better game than the score indicates, but due to the lack of practice together, they were unable to use good teamwork. With the regular Thanksgiving crowd there was much enthusiasm and interest in the game.

Westhampton 0; School Girls 2

Westhampton bowed in defeat to a combination of the best players from the Richmond high schools on November 30th. The Red and Blues had not played together much for the two weeks previous on account of class games, and their playing showed the lack of good stick work and coöperation.

Westhampton 0; Sweetbriar 5

In spite of a great determination to defeat the team which is their greatest rival, the Co-ords could not make much headway against Sweetbriar's fast, smooth-working attack. During the first half, the Westhampton team held their opponents to one goal. Though on the defensive most of the time, they managed to make the game an exciting one for the spectators. The second half found Westhampton winded and unable to show as fine play as they had displayed in the first half. Four more goals were scored against them.

BASKETBALL

1938

LOOKING forward to a successful season, the Westhampton basketball squad began practice on December 9th, with the veterans Martin, Fleet, Mitchell, Peterson, Baird and Shell returning in the line-up. Finding two outstanding players in Campbell and Dodd, the team played together in a manner that promised excellent teamwork and coöperation for the coming season.

WESTHAMPTON 35; BLACKSTONE 13

The Blackstone game on February twelfth was an exciting and fast one. Two-court basketball was played during the first half, although this type of basketball was new to the team. At the end of the first half, Westhampton led with the count of 17-13, but in the second half when three-court game was played, the girls really showed their superiority.

The Spiderettes played well throughout the whole game. The passing was excellent and the forwards worked well together. The game was unusually well attended and the cheering was continuous.

HARRISONBURG 32; WESTHAMPTON 18

Although the score shows the Harrisonburg team superior, the game was really better than the score indicates. The Red and Blue sextet played a good game but was not up to par on the distant court. In spite of their defeat, the Westhampton girls had a fine trip.

Westhampton 16; Sweetbriar 15

Returning from Harrisonburg, the Westhampton girls were really out to win when they met Sweetbriar on February twenty-fifth. It was a closely fought game, with the lead changing sides several times. The fast passing, close guarding and accurate shooting gave the Red and Blue the advantage in the final minutes of play when the game ended with Westhampton in the lead.

Beaver College 35; Westhampton 20

In the final game of the year on March fourth, the girls met defeat at the hands of Beaver College. Playing at a disadvantage, due to the injuries of several of the regular players, the Red and Blue sextet played a hard game. During the first minute of play, Captain Allie Martin, the only first string guard who was not already crippled, had to leave the game with a sprained ankle. Under the circumstances, however, the team held its own very well.

The outstanding event on the Westhampton track team schedule in 1937 was the triangular meet with St. Catherine's and John Marshall High School. Westhampton won the meet, scoring 28 points, while John Marshall placed second with 27 points, and St. Catherine's third.

Seniors, Juniors, and Sophomores are eligible for the varsity team. The four people who score the most points in the inter-class track meet receive letters in track.

SEAL WINNERS

Each spring the Athletic Association Board of Westhampton confers the honor of a flannel seal on those members of the Junior and Senior Class who have shown the greatest leadership in athletics and the best sportsmanship in college life. It is their coöperation and school spirit that make the games successful and enjoyable, and because of their enthusiasm and interest in the promotion of athletics they are awarded the seal of Westhampton College.

BLAZER WINNERS

The Westhampton Blazer is awarded to any individual who has made her letter in three different varsity sports. Thus, recognition is given for unusual achievement and skill; the stripes on the insignia designate the number of sports in which a varsity letter has been won, and the stars indicate the number of times.

Activities

EXTRA-CURRICULAR ACTIVITIES

A FAMOUS STATESMAN is quoted as saying that the most important thing in life is to get to know your fellow man. College serves a twofold purpose. The first is the procuring of knowledge from books. These are the pursuits of the class-room. The second is the procuring of knowledge from your fellow man. For this knowledge the college man must turn to extra-curricular activities and to the social life of the campus. We consider the second in many respects far more important than the first, and for this reason take pleasure in the following pages to do honor to those who have won positions in our campus organizations.

YOUNG MEN'S CHRISTIAN ASSOCIATION

A CAMPUS Young Men's Christian Association, whose purpose is to promote the spiritual and moral welfare of the students, is maintained at Richmond College. It is located in the Red Cross frame building between Jeter Hall and the gymnasium. The "Y" has, for the use of the campus and town students, a completely furnished lounging room where the students can gather in their spare time to read the magazines, talk, or listen to the radio. Besides the lounging facilities, there are three ping-pong tables. Each year the "Y" brings many prominent speakers to the campus, takes charge of several Sunday evening vesper services, and maintains its own vesper service each Thursday evening from 6 to 6:15. These activities plus a book exchange, ping-pong tournaments, and other such activities round out an active year for the Y.M.C.A.

WESTHAMPTON GLEE CLUB

THE Westhampton Glee Club, under the direction of Mrs. F. Flaxington Harker, was organized in 1924. Each year the club plans a concert, a dance, and three out-of-town concerts.

Last year on our campus a musical festival was held at which time the glee clubs from six colleges joined with us in singing various types of songs. This is to become an annual affair.

This year the Glee Club sponsored the choral voice-speaking choir from the Pennsylvania Teachers' College of Pittsburgh.

ALPHA MU OMICRON

THE Social Science Society, now known as Alpha Mu Omicron, was founded on January 10, 1935, by a group of men majoring in the social sciences. This group had formerly called themselves the Economics Club. Richard McCrone acted as Chairman of the meeting at which they organized, and Robert Harris served as secretary. On March 10, 1937, the name was changed to its present one, Alpha Mu Omicron.

The purpose of Alpha Mu Omicron is to create an interest in the social sciences, and to bring interesting speakers on the subject to the campus.

MU SIGMA RHO LITERARY SOCIETY

Aided by a sharp increase in attendance, the Mu Sigma Rho Literary Society is enjoying one of the most successful years in its history. The large number of freshmen enrolled are taking great interest in the formation and presentation of the programs.

Each of the programs is built around some topic of general interest to the society. In carrying out the purpose of the society to promote clearer expression, each member is given an opportunity to speak at least twice during the course of the year.

This year the society has innovated the practice of awarding Mu Sigma Rho keys to all members of two years' standing in recognition of their service to the society.

Mu Sigma Rho hopes to keep its debating crown after winning the intersociety debating championship for the past two years.

PHILOLOGIAN LITERARY SOCIETY

The Philologian Literary Society, established here in 1856, offers to its members opportunities for participation in various forms of forensic and literary activity. For completion of certain required literary work, college credit is given. Every member is given ample opportunity to take part in the programs during the college year, and often the society secures outstanding speakers on topics of current interest. Inter-society debates are held each year with other literary societies.

Special attention is given speakers in order to develop more speaking ability among the students. Everyone is encouraged to take part in order to become a polished speaker or debater. As a reward for one year of service, the society gives keys.

Meetings are held each Monday at 7:30 in room R of the administration building.

SAMUEL CHILES MITCHELL LITERARY SOCIETY

The Samuel Chiles Mitchell Literary Society is an organization for the participation and improvement of its members in oratorical expression, such as debating, reading, and speaking, both extemporaneously and with preparation. Its membership consists of town students who find it more convenient to meet at the T. C. Williams School of Law at Lombardy and Grace Streets in Richmond than on the campus. The society, which meets every Thursday at 7:45 P.M., has been actively functioning since it was founded in 1930.

UNIVERSITY PLAYERS

FOUNDED in 1928 for the purpose of encouraging theatrical talent on the campus, the University Players has become a very well-known organization. It is composed of students from both Westhampton and Richmond Colleges and serves as a dramatic club for the university.

Every year several different plays are produced under professional coaching and directing. There is also a series of one-act plays produced annually with the idea of selecting new talent. Older members of the Players often direct these short plays themselves.

The students are trained in backstage work, lighting, make-up, and stage setting, as well as acting.

The Players serve also to give recognition to outstanding performers. Students are eligible to membership only after they have portrayed rôles in a certain number of productions. Keys are presented annually to those members in the Senior and Junior classes who have been especially prominent in the work that year.

OMICRON DELTA KAPPA

THE Omicron Delta Kappa Fraternity was founded at Washington and Lee University on December 3, 1914. A college activities honor society for men, this fraternity has chapters or circles in forty-two American colleges and universities.

The purposes of Omicron Delta Kappa are to recognize men who have attained a high standard of efficiency in collegiate activities, and to inspire others to strive for conspicuous attainments along similar lines; to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help to mould the sentiment of the institution on questions of local and intercollegiate interest; and to bring together members of the faculty and student body of the institution on a basis of mutual interest and understanding.

MORTAR Board, national honorary fraternity for senior women, was founded in Syracuse, New York, in 1918. Pi Alpha, an honorary society at Westhampton College, began as early as 1921 to petition Mortar Board for admission. Finally, after a chapter of Phi Beta Kappa (1928) was installed at the University of Richmond, the petition was granted, June 26, 1930.

The members of Mortar Board are chosen in the spring of their Junior year. The qualities on which selection is based are leadership, scholarship, and service. The aims of Mortar Board are to work constructively for the betterment of the college community, to foster school spirit and a spirit of co-operation between the students and the faculty, and to hold high the ideals for which the organization stands.

PI DELTA EPSILON

Founded at the University of Syracuse in 1909, Pi Delta Epsilon is the national honorary fraternity that has for its primary purpose the encouragement and improvement of journalism on the college campus. Forty-two colleges and universities throughout the United States boast chapters of the fraternity. The local chapter received its charter on November 26, 1926.

Since its installation here, P.D.E. has fostered all student publications. To be eligible for membership in P.D.E., a student must have served for at least two years on university publications and have attained a responsible position on the staff of a publication.

TAU KAPPA ALPHA

TAU KAPPA ALPHA, the national honorary debating and forensic fraternity, was founded at Indianapolis, Indiana, on May 13, 1908. The Richmond College chapter was founded here in 1917. Those students who manifest forensic ability as evidenced by participation in intercollegiate debates and other contests of like nature are eligible for membership. The society holds its elections annually, and taps in the Spring. Membership in the fraternity is the highest honor obtainable in forensic activity at Richmond College.

May Day 1937

INITIATING a new tradition, that of presenting an elaborate May Day only once every four years, the Class of 1937 sponsored the first of the three graceful but simple intervening celebrations.

Because the theme was a typical English Country May Day, the coronation of Margaret Anita Mitchell took place at the beginning of the festivities, according to the true custom. The entire senior class, in pastel shades, formed a picturesque background for the queen and her maids of honor, Alice Torbeck, Betty Allison, Nancy Lee Riley, and Nancy Chappell.

Various entertainments presented for approval by Martha Anne Freeman, as Town Crier, included folk dances in which undergraduates participated, and the specialty dance number of Betty Carper.

Dances

FRATERNITIES this year have made a decided innovation by giving most of their dances in the gym or in a large hall, where it was possible to invite the greater per cent of the campus. This change has served to create a new spirit of interfraternity friendliness which no other agency could effect.

The new Interfraternity Dance Committee plan has worked successfully to date, and plans are being made for "Big Doings" at finals.

Perhaps the most outstanding social event of the year was the Junior Prom at which Miss Emily Parker, escorted by Gerald Scott, president of the class, was crowned queen.

May, 30 -

Dearest Dot.

Gee, I hate to see this time come. The night before the last "good-bye" - May you never forget the days we've spent at Hothampton during '37-'38. Changes every day haven't been a pleasant one, but to have some happy memories - Please write this summer and come to see me.

Love, Luck, & Happiness,

Nancy.

Dearest Dal,

It's been grand knowing you and being in school together. Please come back next year. If you ever come to Albemarle (county) let me know.

Love,
Anne
